**BLACKHEART**<sup>®</sup>

2018

# BLACK

## ***Unparalleled Crossbow Gear.***

We believe in performance and maximizing every shot through meticulous attention to detail and blending handmade craftsmanship with modern materials. We believe in people who continuously look for an edge — people who know that every shot counts.

We believe that making innovative crossbow accessories that provide unparalleled gains in performance are the best way to enhance the experience, shot after shot.

# HEART®

## ***Shoot the Best. Be the Best.***

Like you, we do not fear hard work and we are unafraid to dream of something better. It's that drive that compels us to produce the absolute finest crossbow strings, using the right blend of modern materials, machinery and time-honored techniques.

Work ethic, dedication to craftsmanship, and the relentless pursuit of the perfect shot — we are BlackHeart and we craft crossbow strings.

**BY**PASS™

### *cocking device*

Our ByPass™ Cocking Device is the future of crossbow cocking. Experience unmatched ease-of-use thanks to the 3:1 pulley system which makes loading your crossbow a breeze and allows your focus to shift to what matters — the perfect shot.

***3:1 Pulley System Reduces Effort By Up to 67%***

***Easiest Cocking Solution Available***

***Patent Pending Technology***

***New for 2018!***

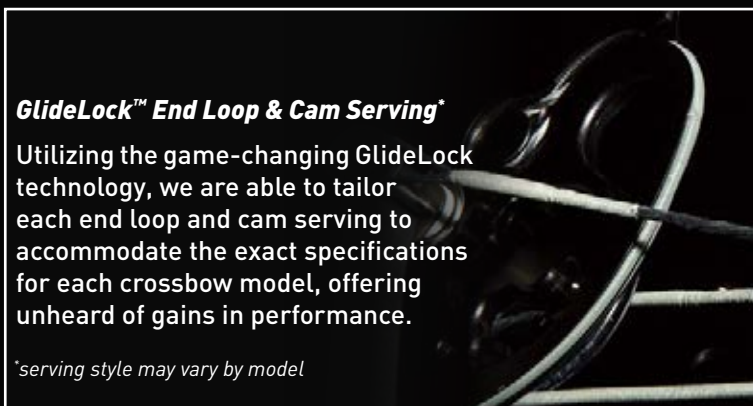

### **DuraWeave™ String Construction**

BlackHeart strings and cables are produced using our exclusive DuraWeave process. The process includes pre-stretching the strands which results in highly consistent string length — not just out of the box, but shot after shot.

### **GlideLock™ Center-Serving**

BlackHeart strings feature our innovative GlideLock center-serving technology. This durability-enhancing and friction-reducing process locks the center-serving strands together in a way that greatly reduces separation and friction.

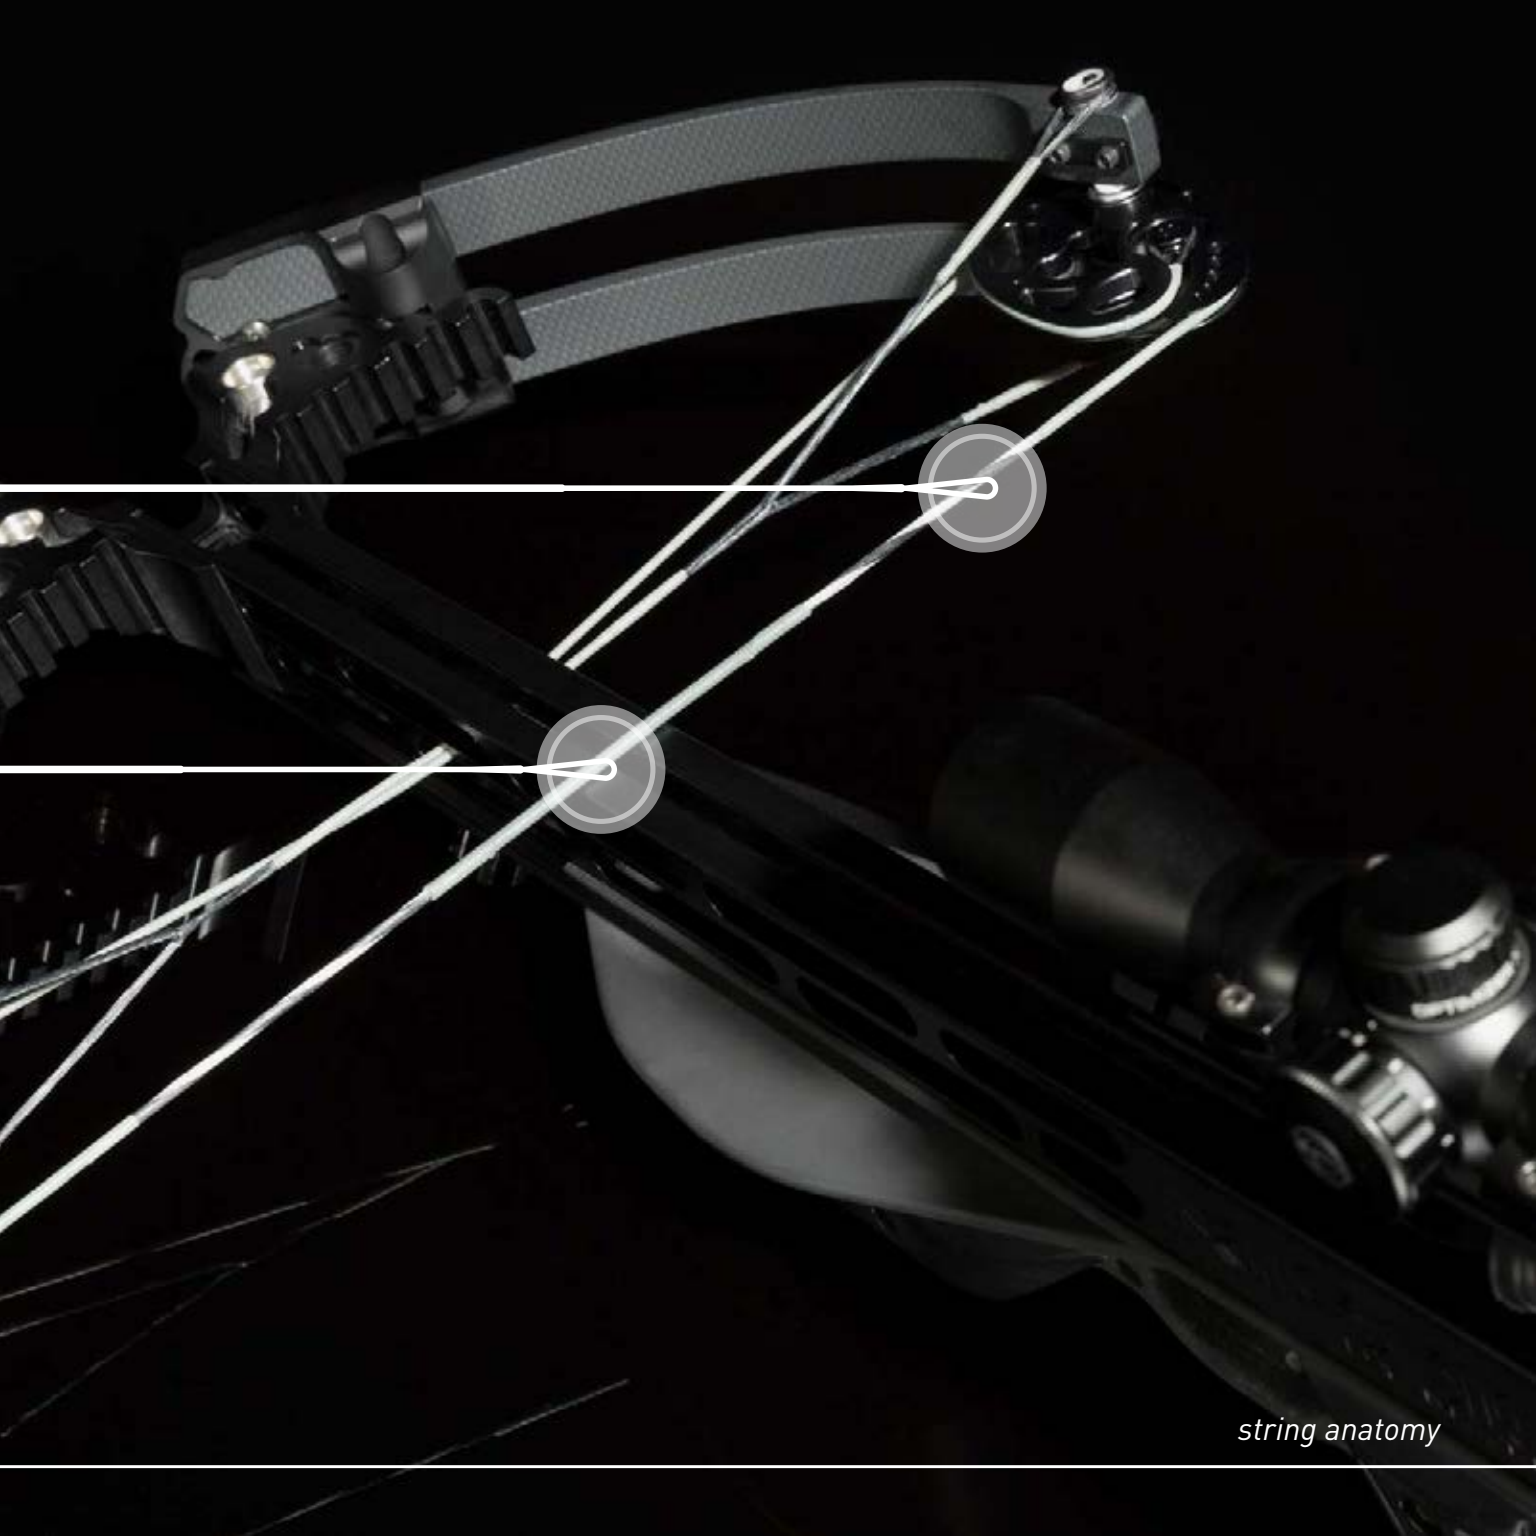

### **GlideLock™ End Loop & Cam Serving\***

Utilizing the game-changing GlideLock technology, we are able to tailor each end loop and cam serving to accommodate the exact specifications for each crossbow model, offering unheard of gains in performance.

### *crossbow strings & cables*

BlackHeart crossbow strings and cables are handcrafted using the right blend of modern materials, machinery and time-honored techniques. Result: crossbow strings and cables featuring our innovative GlideLock™ servings and exclusive DuraWeave™ construction that makes for the absolute finest system available today. Each string and cable is meticulously crafted to fit your crossbow.

“ BlackHeart strings and cables are beautifully crafted from high quality components. Finely finished and essentially custom. ”

★★★★★ *Crossbow Magazine*

*premium crossbow string wax (1 oz tube)*

An agile string is a fast string. BlackHeart's premium crossbow string wax not only protects your strings and cables from natural weathering effects, it also deeply penetrates the string fibers, conditioning them for optimal performance. Believe us — we put it to the test.

***Created Exclusively for Crossbow Strings***

***UV Impervious***

***Applies Clear***

***Waterproof***

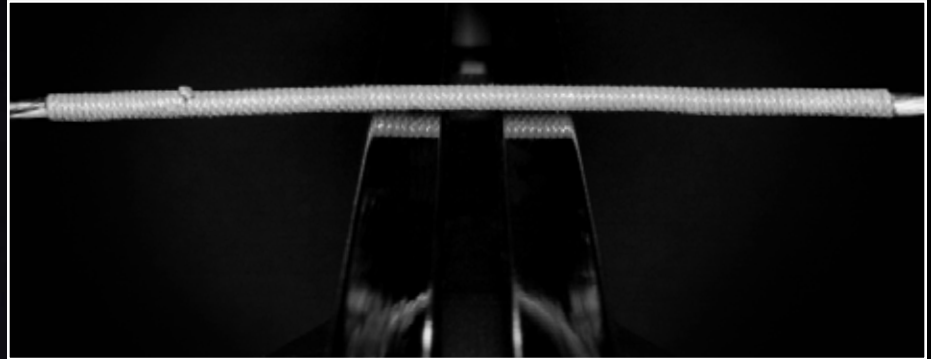

***Deep Core Penetration***

***Scent-Free Formula***

★★★★★ *Crossbow Magazine*

*premium rail lube (.5 oz bottle)*

A lubricated rail is a fast rail. BlackHeart's premium rail lube creates a slippery surface for your string to glide across. It vastly improves shot consistency and extends the life of your crossbow string — it's legit.

***Reduces Center-Serving Wear***

***Long-Lasting Formula Resists Evaporation***

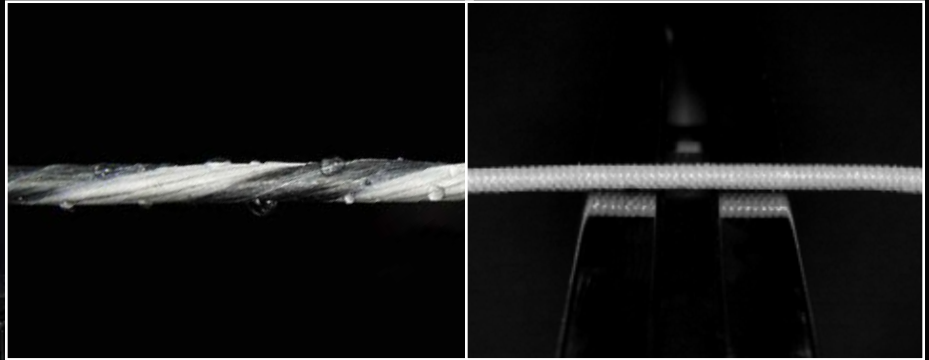

***Increased Velocity***

***Scent-Free***
